| Veterans' Services | 7,000.00 |
18. Appropriated from taxation:
School Department 227,913.20

19. Accepted report of Vocational Regional School District Planning Committee:

The Bristol-Plymouth County Regional Vocational-Technical School Planning Committee was authorized by Chapter 751 of the Acts of 1965 of the Commonwealth of Massachusetts, and by votes of the Taunton City Council and town meetings of Berkley, Bridgewater, Dighton, Middleboro, Raynham, Rehoboth, and Seekonk. Since then, legislation has been passed authorizing the towns of Lakeville and Freetown to join the Committee.

Membership is composed of three members from each community, appointed by the mayor or moderator, one of whom is a member of the school board. Officers at present are: Chairman Donald Atkins of Middleboro; Vice-Chairman Herbert L. McClentic of Berkley; Secretary William Powers of Raynham; and Treasurer, Patrick Lyons of Taunton.

The committee has talked with representatives of several other vocational school committees, with officials of the State Department of Education, with bank officials concerning financing, and has inspected the facilities of the school in So. Easton which will open in September. Subcommittees have investigated and discussed curriculum, location of the school, construction, and the agreement by which such a school would be organized, built and operated.

The members of your committee believe that participation by Berkley in this school would offer tremendous and far-reaching advantages to our children and to the town. A special Town Meeting to vote an acceptance of the enabling Act will be held this fall, if the City of Taunton votes acceptance in their city election.

20. Accepted as a report of progress, report of School Needs committee.
21. Appropriated \$3,500.00 for the Library, to be met as follows:
- | | |
|---------------|----------|
| From taxation | 3,283.71 |
| From dog fund | 216.29 |

3. Appropriated, unanimously, from surplus revenue:
Unpaid bills of previous years, per list 11.10
4. Appropriated from surplus revenue:
Veterans' Services 1,500.00

4. Special Town Meeting November 27

1. Accepted unanimously by ballot vote, with 72 in favor and none opposed, the provisions of Chapter 751, Acts of 1965 as amended by Chapter 16, Acts of 1967, providing for the establishment of a regional school district by the city of Taunton and the towns of Berkley, Bridgewater, Dighton, Middleborough, Raynham, Rehoboth, Seekonk, Freetown and Lakeville or by the city of Taunton and such three or more towns as shall accept said chapter; and the construction, maintenance and operation of a vocational regional school by said district in accordance with the terms of an agreement filed with the selectmen.

SELECTMEN'S REPORT FOR 1967

The town continues to be in good financial condition. Many departments remained within their operating budgets; several required minor amounts of funds to carry over to the year-end.

State take-over of all welfare programs will be made in the middle of 1968.

Additional funds for highway construction under a state sponsored program were made available to the town. As in the past, we will apply for these funds and use them as the town's share of highway construction.

Several meetings were held on the subject of regional incineration by area towns. More meetings and studies are to be made as to its feasibility.

South Main Street from the Freetown line to Elm Street has been completely constructed and an additional section of Anthony Street was constructed as far as funds permitted.

Many dead trees were removed from along our roadsides, but much more work has to be done to cope with the situation.

At this time may we express our appreciation to all Boards and Committees for their cooperation with us in the conduct of the town's business.

Respectfully submitted,

ARTHUR P. MILLER
HAROLD G. ASHLEY
EINO H. SILVAN

REPORT OF THE TOWN AUDITOR**(As of January 31, 1968)**

Board of Selectmen
Town of Berkley

An examination of The Tax Collector's records shall be conducted at various times throughout the year. Listings as of certain dates will be taken and statements of verification shall be mailed to taxpayers showing unpaid taxes, state auditors having made verifications only about two months ago in their audit of the town's records.

The total amount due the town as of the close of the year was approximately \$23,000 less than last year. The continuing efforts of the Collector and the cooperation of the taxpayers are responsible for the decline in unpaid taxes.

Tests of the Treasurer's records shall be made, also the commitments and the abatements of the Assessor's office.

I wish to thank the Collector, Treasurer, Selectmen, and Assessors for their excellent cooperation during the past year.

Respectfully submitted,

FRED HEYWOOD, JR.,
Town Auditor

Selectmen

Attest: Francis F. G. Andrews, Town Clerk

REPORT OF THE CHIEF OF POLICE

To the Board of Selectmen:

Gentlemen:

As your Chief of Police I submit the following report for the year 1967:

Arrests	15
M. V. Accidents investigated	53
Breaks and Thefts investigated	51
Stolen Cars recovered	4
Miscellaneous Complaints investigated	209
Car Transfers Filed	1,095
Tickets issued for defective equipment	101
Pistol Permits issued	7
Summons Served	51
Suspension of License by Registry	29
Malicious destruction of property	10
Citations issued	11
Confidential reports	21
Dogs killed by autos	4

We assisted the Registry and State Police on investigations, patrolled the Town on Holidays, and directed traffic during Dog Racing Period.

Police Officers worked numerous hours for private concerns.

We are a member of the Taunton Police Radio Network and the Telephone Answering Service. The Police Phone Number is 822-7040.

Again I thank the Selectmen, Police Officers, Firefighters, State Police, Registry and all others for their excellent cooperation in carrying out the duties of the department.

Respectfully submitted,

HAROLD G. ASHLEY
Chief of Police

REPORT OF THE FIRE CHIEF

The 54 fire calls received during 1967 was the lowest number in 16 years. This was due mainly to the amount of rainfall received that kept grass and woodlands from drying out. The breakdown of calls shows that brush and grass did account for 15 calls, buildings—5, motor vehicles—5, heating equipment—7, rubbish—2, furniture—1, town dump—12, cat in tree—1, false alarms—3, assists to Lakeville—2, assists to Taunton—1.

Fire Department personnel also manned the ambulance and answered 84 calls in 1967. This is the greatest number of calls received during any year since the start of the service in 1961. Trips made were as follows: Morton Hospital—27, from Morton Hospital to home and area rest homes—16, Truesdale Hospital—13, Middleboro—2, Boston—3, Providence—2, New Bedford—1, accidents—10. There were also 10 calls answered where the ambulance was not needed upon arrival.

The State Fire Marshall was called in to investigate two building fires of suspicious origin.

Fire extinguishers in the library, schools, and business establishments were checked and recommendations made where needed.

Trial runs to the elementary and junior high schools were made in connection with fire drills.

At the 1967 Town Meeting, the Fire Department appropriation was increased by \$1,000.00. This was to assist in bringing our department closer to the standards set by the New England Insurance Rating Association. General fire gear and equipment purchased includes hose, generator and lights, boots-coats-helmets, salvage and truck covers, and an Indian pump can. This has been a start towards being better equipped, and it is hoped that this progress can continue during 1968.

At present, the Fire Department has five trucks. Two of these, a 1953 Ford 600 Farrar and a 1957 Ford 750 Darley, are custom fire trucks. The other three trucks, a 1942 Dodge, 1947 Chevrolet, and 1948 Ford, are tank trucks. While an attempt will be made to gradually replace the old tank trucks with newer models from the annual appropriation, the town should give serious consideration to the replacement of the oldest "first out" truck, the 1953 Ford Farrar.

It should also be noted that when the Common Fire Station was built fifteen years ago, it was designed to house two vehicles. At present there are three trucks and the ambulance housed in the

station. Needless to say, it is very crowded, and little room is left for work space or storage of other equipment. Expansion of this building in the near future will be a necessity.

With more and more men working out of town, it is becoming increasingly difficult to obtain help during the day to answer fire and emergency calls. The situation has reached the point of becoming very serious. This condition is true not only in our town, but also in other towns that rely on volunteer and call firemen. Some towns have moved to overcome the lack of immediate help by appointing one or more permanent day men on a salary basis. It appears now that this will have to be considered here in Berkley. It would better insure that someone would be on hand to answer emergency calls as quickly as possible.

I wish to thank the residents of the town for their cooperation with the Fire Department in an effort to keep the number of fires to a minimum. I also wish to thank the members of the Fire Department, Police Department, and all others who have in any way assisted me in carrying out the duties of this office.

Respectfully submitted,
FRANCIS E. FOURNIER
Fire Chief

PUBLIC WELFARE DEPARTMENT DIRECTOR'S REPORT

To the Honorable Board of Selectmen:

The Annual Report of the Department of Public Welfare, for the fiscal year ending December 31, 1967, is herewith submitted:

The activities of this department have included the administration of the following programs: Aid to Families with Dependent Children, Disability Assistance, General Relief, Old Age Assistance and Medical Assistance, a program which provides medical care to certain persons particularly children of low income families.

In concluding my report for the year ending December 31, 1967, I wish to express my appreciation to all who have assisted me during the past year.

Respectfully submitted,
THERESA M. PARENT, (Mrs.)
Director of Public Welfare

BERKLEY LIBRARY REPORT

To the Library Trustees and Townspeople:

The year 1967 ends the 49th year of Public Library service from this building. We will re-register all patrons. You are cordially invited to come in and be counted. Register a vote of confidence in your library. In order to be a Patron in good standing, you must come to the library and borrow some material at least once in a calendar year.

Card holders 1967 - Adults—314; Juveniles—533; Total—847
Circulation - Adults—5,610; Juveniles—8,111; Total—13,721
Books added by town: Adult—61; Juvenile—208; Total 269
Books added by gift: Adult—85; Juvenile—46; Total—131
400 books.

Fall River Bookmobile, Sheila Higgins, Librarian has loaned us 4,971 books. Special request books from Taunton or Boston Public Library—217. Special collections for Jr. High students, thru the courtesy of Mrs. Helen Coady, Children's Librarian at Taunton Library have also been borrowed. We have spared no time or effort to get the books that library patrons needed.

With the cooperation of the School Department, the Jr. High pupils attend the library with their teacher. Miss Dunlap, Mrs. Moynihan and Mr. Canuel have performed this duty. We feel however that sessions of instruction in Library skills and use would be of benefit to the pupils. We plan to investigate this possibility.

Jr. Library Aid pins have been earned by: Carmen Martin, Donna Silvia and Claudette Souza. Intermediate pin by Carmen Martin, and the Sr. pin by Irene Caron.

Your Librarians have attended various library functions in line with other work. Namely, Old Dartmouth Library Club, Mass. Library Assoc. and the Village Green Library Club.

The following friends have contributed library material, and we thank them: Doris Trond, J. G. Flemming, H. Joslin, F. Farrar, D. Caron, W. LeCornec, V. Holmes, H. Freeman, S. Harrison, R. Harrison, A. Smith, Mr. & Mrs. W. Ratcliffe, E. Whittaker, R. & J. Howland, C. Trites, R. Briggs, R. Sobel, Mrs. J. Babbitt, Dr. Burt Estate, Berkeley Lion's Club, Dighton Rock Grange, Volkswagon Co., Cheryl & Susan Paska, William Silva, Sharon Raymond, and books in memory of Mrs. Phoebe Peirce.

This record would not be complete without a heartfelt thank you, to our Trustees, for their consistent interest and energy, in providing to the best of their abilities the things needed for the proper functioning of the Berkley Public Library. Their aid and encouragement is invaluable.

To my assistant, Mrs. Doris Trond, for her unselfish devotion and able contribution to the success of our library plans and projects, my sincere thanks and deep appreciation.

Respectfully submitted;

H. M. CRAVEN, Lbn.

REPORT OF THE TRUSTEES OF THE BERKLEY PUBLIC LIBRARY

Our new board member, Mrs. Carolyn Milkos was initiated into the Trustees by being elected Secretary. W. Craven was chosen as chairman, and the board has met regularly each month. Meetings held at the library on the third Wednesday of the month.

After consultations it was deemed necessary to raise salaries in line with current times and needs. Under the jurisdiction of the Library board, the meeting hall in the library came in for some attention, and a badly needed stove was purchased. Other needed work in the kitchen was postponed until a later date. A clock was purchased for the library use.

A definite need for 1968 is stacks for the juvenile section. None have been purchased since the original ones were put in when the building was put up in 1918. We are sadly in need of more shelving. The charging desk should be replaced, also the typewriter, (a gift from the Fire Dept., when they procured another). A vertical file for pamphlets would store properly the important reference material, now stored in cardboard cartons. These additions would help us provide better service to our patrons.

The year 1968 will mark the 50th Anniversary of the building of this Library. We plan to hold several observances during the year to celebrate this event.

The Boston Public Library, thru the InterLibrary Loan service, has now made it possible for us to borrow, without charge, movie

film and film strips. Their entire film stock is available to each Educational, Social, Fraternal, Religious or other group to use this service. Each group should appoint one person as its representative. This person then secures a membership card and orders from our own library the film or films desired. The only fee involved is the return postage on material used. Plan to send your delegate to the library for printed instructions and membership application. The film catalog will be available at the Library at all times. It is hoped that this service will be used to its fullest extent.

We have had during the year an epidemic of broken windows and trash scatterering. This makes an unnecessary expense and trouble source to all concerned. The leaded panes in the front hall are almost impossible to have repaired or replaced. Perhaps a word of caution from parents would help this undesirable condition.

Our thanks to all those people who have helped the library in so many ways thru this year. Our hopes for an even better year in 1968.

Respectfully submitted,

WALTER CRAVEN

JUNE MOSKAL

Trustees.

REPORT OF THE INSPECTOR OF ANIMALS AND SLAUGHTERING

January, 1968

To the Board of Selectmen
Town of Berkley

Gentlemen,

I had four calls for dog bites. There was no slaughtering in the town during 1967. I inspected 39 barns and buildings, also 416 animals.

Respectfully submitted.

HERBERT ASPINALL

Inspector of Animals
and Slaughtering

BOARD OF REGISTRARS OF VOTERS

As of December 31, 1967 there were 790 names on the town voting list, compared with 837 as of January 1, 1967.

The decline in the number of names on the voting list can probably be attributed to the fact that but one election was held in 1967, that being the annual town election. Actually a total of only twelve new registrations were recorded during the year.

However, 1968 promises to be a different story, with four elections scheduled. These are the presidential primaries, state primaries, and state election, in addition to the annual town election in March.

The 1967 street listings were taken by Registrars Mrs. Carrie O. Bristol and Mrs. Mary M. Mitchell, with assistants Mrs. Rosemary Mount and Mrs. Mary A. Poirier.

Respectfully submitted,

MARION I. NEEDHAM
FRANCIS F. G. ANDREWS
CARRIE O. BRISTOL
MARY M. MITCHELL

Berkley Common Garage	\$ 2.00	
St. Yves Motor Sales	2.00	
	<hr/>	\$ 4.00
Payments to town treasurer		\$ 4.00

4. Comment

It seems a shame that so many dog owners do not license their pets until called upon to do so by the dog officer.

In 1967 an effort was made to collect as many dog licenses as possible, and excellent results were obtained through the cooperation of the dog officer, Mr. Elmer Perry, who spent a great deal of time in making many visits to homes (some homes were visited several times before getting a response) mainly for the collection of \$2 licenses, which represent 75% of the licenses issued.

The sad part of this is that there is no additional payment by the delinquent dog owner, the fees paid to the dog officer being assumed by the town through the appropriation for his expenses.

Chapter 140, Section 173, General Laws, suggests that town by-laws may require an additional charge of not more than one dollar, for dog licenses.

Court action may also be brought against owners or keepers of unlicensed dogs.

Respectfully submitted,

FRANCIS F. G. ANDREWS,
Town Clerk

REPORT OF THE PLANNING BOARD

To the Board of Selectmen:

Gentlemen:

With the acquisition of three new members, namely, E. Vincent Brimley, Ernest Poirier, and Chester Strickland, the Planning Board is now up to full strength. Mr. Brimley was elected delegate to the Southeastern Mass. Regional Planning District.

We deem it unfortunate that the article calling for the development of a comprehensive master plan was voted down at the 1967 annual town meeting. We feel such basic study and research should be done at least one time for the town in order to provide a basis for its orderly and prosperous growth. We feel that little can be properly done in the way of progressive planning until such an in-depth study is made.

This year we have worked with the Town By-Law Committee and the Selectmen in the drafting of a newly proposed set of by-laws for the town.

There were no new subdivisions of land in 1967 involving the laying out of new roadways. Several plans of land were stamped "Planning Board Approval Under the Subdivision Control Law Not Required" which is a requirement before the Registry of Deeds will accept a land plan for recording.

Respectfully submitted,

ROGER E. CHESTER
Secretary

BRISTOL COUNTY MOSQUITO CONTROL PROJECT

ANNUAL REPORT FOR 1967

On June 30, 1968 the Bristol County Mosquito Control Project will have completed nine years of service to the residents of Berkley.

During the past year all of the regular programs were carried out as usual and a normal season was anticipated. This did not materialize, as in late April a storm deposited 5½ inches of rain on the area. This was to set the pattern for the remainder of the season, ending on September 1st, totaling 38 days on which rain fell. This resulted in a sizable increase of area breeding space as well as untold numbers of new breeding areas. The flood-water mosquito then became a most serious problem, and weather conditions throughout the summer were ideal for them to become a day and night nuisance.

Our pre-hatch treatment was underway in the late winter and a total of 22½ acres were treated. The insecticide used was applied to known breeding areas by knapsack dusters.

During March, April and until late in May our larvaciding program was undertaken and a total of 15 acres were treated with #2 fuel oil applied with compressed air spray cans.

Beginning on June 5th our spray program began and despite the exceptionally heavy number of calls for service, all were answered as quickly as possible. The response to many calls being delayed was directly due to the weather conditions that prevailed.

Immediately after the spraying season had ended our crews began removing accumulated debris from ditches, brooks and streams. A total of 650 feet of brush was removed and 700 feet of ditching reclaimed. This operation continued until the pre-hatch program was put into effect.

Our tractor-trencher was utilized in the installation of 630 feet of new ditching in the Old County street area.

This Project is guided by the State Reclamation Board in Boston, a division of the Department of Agriculture and advised in its use of pesticides by the Pesticide Board.

My thanks to all residents for their patience and understanding during the past year and with your cooperation look to a successful season to come.

Respectfully submitted,

FRANK W. DILLINGHAM
Superintendent

**REPORT OF
BRISTOL-PLYMOUTH REGIONAL VOCATIONAL
TECHNICAL SCHOOL PLANNING COMMITTEE**

The Bristol-Plymouth Regional Vocational Technical School Planning Committee met regularly during 1967, and climaxed its work in the fall with a recommendation that an 800 student school be built, with facilities for vocational courses for students of differing abilities in grades 9 through 12, and one and two year technical courses at the post-high school level. The school would be built within a six mile radius of Taunton Green, as the approximate geographical center of the district.

This recommendation was presented to the voters of Taunton for action at the November election, and to the voters of Berkley, Bridgewater, Dighton, Middleboro, Raynham, Rehoboth and Seekonk at special town meetings during the same month. In Seekonk, the proposal was defeated by two votes, but in all other communities was passed by very heavy majorities, the vote in Berkley being 72 for, 0 against.

The establishment of a regional district by this vote ended the work of the Planning Committee. An Interim Committee composed of one member from each town and two from the city of Taunton has been appointed and is presently working on details of getting the school constructed. Meetings are held at 7:30 P.M. at Cohannet School in Taunton, on the first and third Wednesdays of each month, and are open to the public. The Berkley representative on this committee is

Yours respectfully,

HERBERT L. McCLENTIC

INDUSTRIAL DEVELOPMENT COMMISSION OF BERKLEY

During the year 1967, several meetings were held by the INDUSTRIAL DEVELOPMENT COMMISSION of Berkley, at the Junior High School. The meetings were fairly well attended by members of the Commission who discussed many important matters of general interest to residents of the town of Berkley.

A number of new businesses and industries showed new interest in available sites with a possible location of new plants in the Berkley area in the near future.

Respectfully submitted,

EDMOND B. ST. YVES
Secretary

ANNUAL REPORT

REPORT OF BERKLEY WATER STUDY COMMITTEE

Held on January 21, 1968

The Water Study Committee recommends that the town continue the Committee to keep close watch on the town's developing needs and to assure maintenance of the rights of the town, regarding its water resources and waterfront rights pertaining to any regional or adjacent city water supply changes.

We have been able to operate this year without expending any funds made available to us. We are not asking for funds this year as there are no known expenses; and, if funds are needed, we will ask the Finance Committee for them.

Respectfully submitted,

ELWELL H. PERRY

4. COMMENT

Again this year I'm pleased to report a substantial decrease in the outstanding taxes owed the community. This has been accomplished by much work from this office and an effort by most people to pay their taxes promptly.

During 1968 I plan to continue pressing for outstanding Personal & Motor Vehicle and to take Real Estate up to 1967. This is a big jump but it is where most of the money is.

I wish to thank the many Town Officers and residents of the town for their help and assistance given me during the year.

Respectfully submitted,

ALFRED F. TOWNLEY III
Collector of Taxes.

GENERAL INFORMATION

BIRTH CERTIFICATES

Presentation of a birth certificate is required for entrance to the first grade.

VACCINATION

Every child who enters school for the first time must present a certificate of vaccination or a statement from his physician that vaccination is inadvisable.

NO SCHOOL INFORMATION

When weather conditions are such that our buses are unable to run, a no school notice will be broadcast over Radio Station WSAR, Fall River, Radio Station WPEP, Taunton, Radio Station WPRO, Providence, and Radio Station WARA, Attleboro. Parents are urged to use their own judgement about sending their children to school on stormy days. The fact that school is in session does not mean that attendance by all pupils is advisable.

TRANSPORTATION

The law requires that transportation be provided for pupils residing more than two miles from the school attended or more than one mile from the nearest bus stop. Many pupils living at lesser distances along the established routes are transported if the seating capacity of the bus will permit. From time to time it is necessary to refuse transportation to some of those living under the required distance when our buses are filled to capacity with children living at a greater distance.

ENTRANCE AGE

First grade registration in September of any year will be limited to those children who are at least six years of age or who will become six years of age on or before the following January first. There will be no exception to this ruling. Registration must be during the first three weeks of school in September.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of the Town of Berkley:

I hereby submit my thirteenth annual report. Incorporated herein is the report of the Berkley School Committee, the School Nurse, the Principal and the Music Department.

Personnel

Mr. Alfred Rogash, English teacher at the Junior High, left in June to accept a position at Blue Hills Regional Technical School. He was replaced by Miss Kathryn Dunlap, fifth grade teacher, who has a background in English. Mrs. Madelyn Moynihan, former first grade teacher, was transferred to teach science at the Junior High School.

Mrs. Judith Coulsey, a graduate of Barrington College, was hired to teach grade one. She worked with youth groups in New Jersey prior to coming to Berkley.

Miss Kathleen Collins, a graduate of Sacred Heart College in Newton was hired to teach the fourth and fifth grade unit. Mr. Peter DiCarlo was hired as part-time vocal music teacher at the Junior High School. This is the first time we have had a music teacher in over a year.

We hope that our salary schedule will be competitive enough to retain our teachers and to attract new teachers as we need them.

Finances

The increase in the 1968 budget is \$55,423.00 over the 1967 budget. The largest increase is in teachers' salaries. The increase of \$26,000.00 represents the full salary of a teacher added to the Junior High School in September and the partial salary of a second teacher to be added in September 1968. This also represents the full salary of a teacher at the fourth and fifth grade level. She began her work after January 1, 1968. The remainder of the salary increase is in raises. We must meet a new State minimum of \$5,750.00 in September 1968, and along with this a new salary schedule. The increase in salaries is the same as in other towns and it is necessary to increase salaries to stay competitive.

The second major increase is in tuition. The tuition at Dighton-Rehoboth Regional High School was increased from \$575.00 per

pupil to \$675.00 per pupil effective January 1, 1968. This is caused by rising costs at the regional school and does not yet take into consideration the full per pupil cost for 1968.

Buildings

Through the efforts of Mr. Richard Babbitt and Mr. Tedfield Majcher our buildings are kept in good repair. Painting and minor repairs is done by these men.

However, our main problem concerning buildings is to produce enough classroom area. Next September at the Junior High School we will need eight classrooms. This is the same number we needed before the Elementary School was built. At the new Elementary School this year we need ten classrooms and have only nine. As stated in Mr. Fleming's report we are using the library and other rooms for classroom.

This problem could be solved in two ways. First we could go into a regional program with Dighton and Rehoboth and build a grade 5—8 middle school. Although the State recommends this the other towns are not ready to do this so we cannot pursue that plan. Secondly we could add rooms to the new Elementary School but the State does not approve of this as we are too small and do not have enough pupils per grade to provide an adequate program. We could add the rooms without State aid but it would cost us twice as much in principal outlay

We hope that over the next few months some solution will be forthcoming but any solution will not prevent a crowded condition next September.

Conclusion

I realize that this report is not encouraging to the tax payer but with increased enrollments, increased cost of living and increased prices for material goods it is impossible to operate a school for less. We all hope the day will come when things will level off but none of us would dare to predict when this will happen if we look back over the last five years.

I wish to thank Mrs. Adella Viveiros and her staff for continuing to serve fine lunches. Mrs. Viveiros has to struggle with finances to keep her program going.

I wish to thank Mrs. Elizabeth Deal, R.N. the school nurse for taking over and continuing the work of our previous nurse, Mrs. Anita Maciejowski.

I express my appreciation to Mr. Gerald Fleming, the Principal, for his work in scheduling classes and developing new curriculum to give us the best school possible.

We also at this time express our appreciation to the local civic organizations for their help in furnishing equipment and programs for our pupils. This shows a genuine civic interest on the part of these organizations.

To the parents I will say as I have in the past, the schools are your schools and we would be very happy to discuss any ideas or problems you have concerning schools.

Respectfully submitted,

ROBERT T. ROY

Superintendent of Schools

REPORT OF THE PRINCIPAL

Mr. Robert T. Roy
Superintendent of Schools

Dear Mr. Roy:

I herewith submit by ninth annual report as principal of the Berkley Public Schools.

The most significant facts in this year's report must be two-fold, namely, our crowded conditions and our new program in the intermediate division of the elementary school.

The conditions in the schools, from a point of view of crowdedness, closely resemble what we faced in 1961. We find ourselves using every available area and some that should not be available.

For example, in the elementary school it is necessary to take groups from our intermediate division to the library for group instruction. This necessitates use of the teachers room for such activity as instrumental music lessons and speech therapy.

As we well know, neither of these rooms was designed to be used for instruction when the school was built six years ago.

At the junior high school, conditions are even more acute. In addition to using the basement room for a classroom, we must also use the unfinished basement room for industrial arts classes and band. On the first floor we have a class in the room which is used as a cafeteria serving area. During the lunch period this class must vacate its classroom and move to the combination art-home economics-music room.

All of these conditions are exactly the same as we tried to eliminate with construction of the elementary school. There is no way around it, we need more space. And, the longer it takes to get this space, the worse the problem will become.

On the brighter side of the ledger is our departmentalized, non-graded, intermediate unit. This program had its beginning for two reasons: progress and space. I strongly feel that with a situation such as we have a child will be better able to progress according to his own ability than if he were in a regular self-contained, graded classroom.

The space portion of the reason is that with two divisions of each of five grades, we would need ten rooms and unfortunately only nine were built.

Theoretically, in a truly non-graded situation, the child would be able to progress from one level to the next according to his ability and regardless of what the other students in the room were doing. Because the idea of a certain unit of work being completed between September and June was conceived over a century ago, does not mean that we should continue in that pattern in 1968.

Obviously there will be some children who will complete this work in less than 10 months and others who will require more than ten months. The idea, then, of a non-graded program would be to allow the faster child to progress according to his talents and also to let the slower child work at his own rate without being stigmatized as a failure because it took more than 10 months.

Perhaps the best description of this type of program, which I personally feel will eventually replace all gradedness, would be a "Continuous Progress Plan."

Our other classes in the elementary school, namely, the first three grades, continue with good pupil-teacher ratios which is about the 25 recommended for such grades.

The curriculum in the primary grades continues in the pattern which we have established over the past few years with good results. A strong emphasis is placed on phonetic reading and our modern math which starts in first grade, is supplemented by the use of Cuisenaire Rods.

In an effort toward continuing good home-school understanding, we are continuing the parent-teacher conferences this January in the elementary school. These conferences have proven very successful in the past.

Junior High School

Curriculum in the junior high school remains rather constant as we offer the students a strong academically oriented program in preparation for high school. Latin is offered as an elective in grade 8 for those students who plan to follow this language in high school. It is pleasing to note that Berkley students who have taken Latin in the eighth grade have done very well with the subject in high school.

Industrial arts is offered to all junior high boys two periods a week. Half the year is spent with mechanical drawing and the other half with woodworking and hand tools.

Home economics is given to the girls two periods a week with the entire year devoted to sewing since we have no facilities with which to offer cooking.

It is gratifying to be able to offer vocal music to the junior high students once again. Not being able to find a teacher curbed our program last year but we can now offer music twice a week in addition to having a glee club which meets twice a week after school.

The institution of a dress code at the junior high school was deemed advisable by the administration this year. With the influence of certain musical groups, hair styles were rapidly changing and with styles of dress being dictated by other groups, it was felt that some code of dress for school should be initiated. Most of our students readily accepted the dress code but a few non-conformists begrudgingly observed the requirements.

A change was made in the detention policy, also. Now if a student chooses to misbehave, he is no longer provided with bus transportation home. The thought of walking home has certainly changed the attitude of many who would otherwise waste their time or the time of their classmates.

Extra curricular activities at the junior high continue as we attempt to offer as much as possible to the students toward a well-rounded education.

Basketball and baseball are available to the boys and our teams compete in the Massasoit Junior High School League which is made up of Dighton, Rehoboth, Raynham, Carver and Westport in addition to Berkley.

In addition to league play, the basketball team competed in the CYO tournament in Taunton last year and went to the finals before losing. They did, however, bring back to Berkley a beautiful second place trophy.

The girls are offered softball and cheerleading. Softball games are arranged with neighboring schools and our cheerleaders add much color to the basketball games. This year's cheerleaders have brand new uniforms donated and made by members of the P.T.A.

Square dance lessons have been provided for the older students by the Berkley Lions Club. Other dances have been held for the students during the year, also.

General

As in the past, the school program and activities have been greatly enhanced by the generosity of certain groups or individuals.

The Berkley Police Association provided the funds for the Christmas parties held in both schools. This annual event is greatly appreciated by all concerned.

Mr. Clarence Trenouth once again provided bus transportation to take all elementary students on class trips and the junior high students on their outing. For the first time we arranged a field day for junior high pupils at Ted Williams Camp in Lakeville which proved very successful.

Chief Francis Fournier and the Berkley Fire Department cooperated with the administration in making our National Fire Prevention Week fire drill most realistic.

The Berkley Lions Club has again lived up to its motto, "We Serve" in a variety of ways for the school. Of special significance is the purchase of a slide for the elementary school playground.

Mrs. Frank Wallace, in addition to doing her excellent work as vocal music supervisor, took the glee club to North Pembroke to put on a concert and then gave the youngsters an outing.

The Berkley P.T.A., this year under the presidency of Mrs. Robert Shepard, although small in membership, continues to work for the good of the students. In addition to the aforementioned cheerleader uniforms, the P.T.A. provided the eighth grade banquet and dance and has continued the school's subscription to National Geographic Magazine. Our library now contains each issue of this useful magazine which has been published in the last 43 years.

Women from the community who serve as librarians in the elementary school on a volunteer basis are of tremendous help to the students.

Mrs. Walter Craven, as always, adjusts her schedule at the Public Library to accomodate the junior high students. We are indebted to Mrs. Craven for this service.

A listing such as this runs the risk of leaving someone out. However, it is not intentional and if by chance it has happened, we apologize and offer a sincere "thank you" to all who have helped.

Conclusion

In conclusion, I once again take this opportunity to publicly thank you, Mr. Roy, for your advice and guidance. I am especially grateful for the opportunity to present a teacher institute on non-graded classes to area teachers which will be held in January.

The members of the school committee have once again shown a sincere interest in the education of the town's children and we are most appreciative.

The faculties of both schools have contributed greatly to the program, in many instances far beyond expectation.

To the non-teaching members of the staff, secretary, custodians, nurse and cafeteria workers, a word of appreciation for the extreme effort being put forth by all.

Finally to the parents and children a note of gratitude for their cooperation this year as in the past.

It is through this spirit of cooperation that our school program is fostered and our students are recipients of high quality education.

Respectfully submitted,

J. GERALD FLEMING
District Principal

ELEMENTARY VOCAL MUSIC REPORT

Mr. Robert T. Roy
Superintendent of Schools

Dear Mr. Roy,

I herewith submit my second annual report as Elementary Vocal Music Supervisor.

Weekly visits to all elementary classrooms are being made in order to continue the development of a varied program of musical activities. With the assistance and cooperation of the classroom teachers, definite progress has been made in the past year. The continued purchase of textbooks, recordings, and rhythm instruments enhances the enrichment of our program.

Approximately 55 fourth and fifth grade students participate in weekly rehearsals of the elementary school glee club. This young, enthusiastic choral group were guests of the Berkley P.T.A. on December 4th and sang again as a part of the school's annual Christmas assembly. In spite of the unscheduled snowfall, the glee club, as well as the children of every grade, presented an enjoyable evening of music entitled "America the Beautiful" at the annual spring program on April 7th. In May, the glee club also visited North Pembroke Elementary School where they presented two programs for the students of that school. The trip included a tour of the newly-opened elementary school and a picnic lunch.

It is with enthusiasm that I look forward to another productive year in the vocal music area of the Berkley Elementary School's curriculum.

Respectfully submitted,

BARBARA L. WALLACE
Elementary Vocal Music Supervisor

INSTRUMENTAL MUSIC REPORT

Mr. Robert T. Roy
Superintendent of Schools

I hereby submit my first annual report as supervisor of instrumental music for Berkley.

In January 1967, the Berkley Junior High School band could look back with pride to the Xmas concert that they had just performed at the Berkley Elementary School.

The Berkley Junior High School music students, along with three members of the Elementary School performed for an audience that consisted of teachers, students, and parents. I am pleased to report that they were very well received. In April the band performed at a spring concert at the elementary school, and again the audience was most enthusiastic. On Memorial Day, the Berkley music students joined the musicians of the Palmer River Elementary School and the Anawan Junior High, to form a 35 piece band that marched and played first in Rehoboth, and later on that day in Berkley. The marching band received many favorable comments from the onlookers especially the parents of the students marching.

September 1967 found a total enrollment of nine music students at the junior high, and thirteen at the elementary school.

The students at the Junior High start their music lessons at 8:00 A.M. every Wednesday, and all students participate in a weekly band rehearsal.

The students at the Elementary School take their lessons, either in group or privately, starting at 12:30 and continuing until school closes at 3:00 P.M.

Projecting a bit into the very near future, I feel that the enthusiasm created by the concerts and the parades on Memorial Day, have permeated not only to the pupils at the elementary school level, but to their parents as well.

I look forward to an increasingly large instrumental music program enrollment each school year, and that in a very short time, Berkley will have its own marching band.

At this time I would like to thank Mr. Roy, Superintendent of Schools, and Mr. Fleming, Principal of Schools in Berkley, for their cooperation.

Yours truly,

CARL RAND

Supervisor of Instrumental Music

REPORT OF THE SCHOOL NURSE

Mr. Robert T. Roy
Superintendent of Schools

Dear Mr. Roy:

As school nurse of the Berkley Public Schools, I herewith submit the health report for the 1966-67 school year.

Since joining the staff in March, I have tried to continue the excellent health program set-up by Anita K. Maciewski, previous school nurse.

In organizing the school health program, I interpreted my responsibilities as the following:

Health Appraisal

Yearly screening tests as prescribed by the Massachusetts Department of Public Health were completed by Mrs. Maciewski.

Heights and weights on all students were recorded on their individual health records.

The Fitmus Optical Tester was used to test the vision of 350 students. There were 29 failures. Referral slips were sent to the parents and with their cooperation all but 3 received attention.

The Maico Audiometer test screened 346 students with 5 failures, all receiving medical attention.

The town of Berkley is fortunate in having Dr. Stanley R. Parker, Jr. as school physician. Physical examinations were conducted on 166 students by Dr. Parker; 5 others were examined by their own family doctor. There were 21 referrals made to the students' family physicians. These evaluations of the health status of the students are given during their first year of school and at intervals of either three or four years thereafter. Any student participating in competitive athletics also received a physical examination.

Health Room Services

Too numerous to list are the instances for which the health room is used. Emergency care can be properly administered with the help of suitable facilities and appropriate supplies which are available at all times. Many students becoming ill during the school day are able to rest until they can be placed under their

parent's care or returned to class. Any child suspected of having a communicable disease are separated from the other students and cared for until their parents take them home. Assistance was given to the Immunization Clinics held in the spring by the Board of Health.

Health Counseling

In order to maintain good health status among our students periodic checking of their habits is conducted. Daily supervision of a parent is needed in promoting good personal hygiene. Individual counseling is given in areas that need attention.

Conclusion

In concluding I wish to express my gratitude to you, Mr. Roy and the members of the School Committee for affording me the opportunity to serve our community in this capacity. The health program could not function efficiently without the continued interest of the principal, teachers, school personnel and townspeople and to them I extend my thanks for their cooperation.

Respectfully submitted,

ELIZABETH J. DEAL, R.N.

WARRANT FOR ANNUAL TOWN MEETING

March 11, 1968

ARTICLE 1. To hear the report of the Finance Committee, or act thereon.

ARTICLE 2. To act on the reports of the town officers.

ARTICLE 3. To see if the Town will vote to authorize the treasurer, with the approval of the selectmen, to borrow money in anticipation of revenue for the financial year of 1969, and to issue a note, or notes, therefor, in accordance with the provisions of Chapter 44 of the General Laws, or act thereon.

ARTICLE 4. To see if the Town will vote to authorize the selectmen to contract with the Department of Public Works and County Commissioners of Bristol County for the construction and maintenance of the public highways for the ensuing year, or act thereon.

ARTICLE 5. To see if the Town will vote to fix the salaries and compensation of all elective officers of the Town as provided by Section 108 of Chapter 41 of the General Laws as amended, as follows: Moderator, Selectmen, Auditor, Treasurer, Collector, Assessors, Town Clerk, Constables, Tree Warden, Highway Surveyor, Board of Public Welfare, School Committee, Library Trustees Chairman, and Burial Ground Commissioners, and raise an appropriate sums of money for same, or act thereon.

ARTICLE 6. To see if the Town will vote to raise and appropriate sums of money for the following expense accounts, namely: Finance Committee, Industrial Development Commission, Selectmen, Auditor, Treasurer, Collector, Assessors, Town Clerk, Planning Board, Board of Appeals, Moderator, tax title expense, or act thereon.

ARTICLE 7. To see if the Town will vote to raise and appropriate sums of money for the following departments, namely: Town Counsel, Elections, Registrations, Town Hall, Police Department, Fire Department, Tree Department, Dog Officer, Board of Health, Civil Defense, or act thereon.

ARTICLE 8. To see if the Town will vote to raise and appropriate a sum of money to be expended in suppressing the gypsy and brown tail moth; also a sum of money for Dutch Elm Disease Control, or act thereon.

ARTICLE 9. To see if the Town will vote under the provisions of Section 4-A of Chapter 41, to authorize certain town boards to appoint one or more members to other positions, and fix the salary for same, or act thereon.

ARTICLE 10. To see if the Town will vote to raise and appropriate a sum of money for the Town's share of Chapter 81 Highway Maintenance, and to appropriate and transfer a sum of money from the Excess and Deficiency Account to cover the State and County shares, said sum to be returned to the Excess and Deficiency Account on receipt from the State and County, or act thereon.

ARTICLE 11. To see if the Town will vote to raise and appropriate a sum of money for the Town's share of Chapter 90 Highway Maintenance, and to appropriate and transfer a sum of money from the Excess and Deficiency Account to cover the State and County shares, said sum to be returned to the Excess and Deficiency Account on receipt from the State and County, or act thereon.

ARTICLE 12. To see if the Town will vote to raise and appropriate sums of money to be spent for highway repair, and/or reconstruction purposes on Anthony Street, independently of, or in addition to, any other highway maintenance program which the Town may vote on.

ARTICLE 13. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, a sum of money for Chapter 90 Highway Construction, or take any action in relation thereto.

ARTICLE 14. To see if the Town will vote to raise and appropriate a sum of money to the Engineering, Legal Fees, North and South Main Street Account, or act thereon.

ARTICLE 15. To see if the Town will vote to authorize the Selectmen to lay out Green Street as a Public Way, and raise and appropriate a sum of money for Engineering and Legal Expenses, or take any other action relative thereto.

ARTICLE 16. To see if the Town will vote to raise and appropriate sums of money for the following accounts, namely: Berkley-Dighton Bridge Expense, Road Machinery Account, Street Lights, Snow Removal, Sanding and Snow Fence, Care of Berkley Common, Town Reports, Town Water, Cemeteries, Veterans' Memorial, Town Buildings and Public Liability Insurance, Building Inspection Fees and Expenses, Sanitary In-

spection Fees and Expenses, Reserve Account, Compensation Insurance, Interest on Loans, Bristol County Retirement Assessment, Berkley Group Insurance Plan, or act thereon.

ARTICLE 17. To see if the Town will vote to raise and appropriate sums of money for Public Welfare, Welfare Administration, Veterans' Services, or act thereon.

ARTICLE 18. To see if the Town will vote to raise and appropriate a sum of money for the School Department, or act thereon.

ARTICLE 19. To see if the Town will vote to accept the provisions of Chapter 48, Sections 42, 43, and 44, said sections pertaining to the establishment and operation of a town fire department, or take any other action relative thereto.

ARTICLE 20. To see if the Town will vote to authorize the Selectmen to appoint a full time Fire Chief and raise and appropriate a sum of money for salary of this office, or take any other action in relation thereto.

ARTICLE 21. To see if the Town will vote to raise and appropriate a sum of money for the Public Library, and to transfer a sum of money from the Dog Fund, and to transfer a sum of money from the State Aid to Libraries Account to the Public Library Account, or act thereon.

ARTICLE 22. To see if the Town will vote to pay the unpaid bills of previous years, and to see if the Town will vote to raise and appropriate a sum of money therefor, or act thereon.

ARTICLE 23. To see if the Town will vote to authorize the Selectmen to contract with the Taunton Municipal Lighting Plant to install a Street Light at the junction of South Main Street and Elm Street.

ARTICLE 24. To see if the Town will vote to raise and appropriate a sum of money for use by the Berkley American Legion Post for Memorial Day Expenses, or act thereon.

ARTICLE 25. To see if the Town will vote to appropriate and transfer a sum of money from the Excess and Deficiency Account into the Stabilization Fund, or act thereon.

ARTICLE 26. To see if the Town will authorize and direct the assessors to take a sum of money from available funds to reduce the tax levy for the current year, or take any action relative thereto.

REPORT OF THE FINANCE COMMITTEE FOR 1967

The Berkley Finance Committee has, during the year, held ten meetings. At each of these meetings, the committee has endeavored to ascertain the facts concerning the material presented to it for consideration and to make its decisions and recommendations on the basis of these facts

We continue to be concerned by the lack of participation of a large segment of the voters in the town and would urge that these voters avail themselves of the opportunity to be a part of their town government. This committee is pledged to make its recommendations in the best interest of the citizens of Berkley. Our determination of this interest can only be made through the voice of the voters. We urge each of you to be aware of the problems and issues and to exercise your rights in your town.

During the year the following transfers were made by the committee from the Reserve Fund

\$ 50.00	to the Road Machinery Account
5.69	to Veterans' Graves and Memorial Account
428.61	to Tax Title Expense Account
600.00	to General Relief Account
915.70	to Snow Removal and Sanding Account
